RE: Change of Ownership for Water Rights 36-2148A, 36-2148B, 36-2495A, 36-2495B, 36-7585, 36-7713A, 36-7713B, 36-10374, 36-10550, 36-10553, 36-10696, 36-10698, 36-10889, 36-15989, 36-15991, 36-16495, 36-16496, 36-16497, 36-16498, Permit #36-8713, and Application for Permit #36-8658 & 36-8671

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

However, additional information is required before we can process the change for 36-8713, 36-8658, and 36-8671 because they are still in the permit stage. The information required is indicated below.

- X Completed **Assignment of Permit** form for 36-8713. A form is enclosed for your use. The filing fee received on 5/15/08 (Ck #29382, Land Title & Escrow Inc.) can be applied toward the assignment of permit.
- X Completed **Assignment of Application for Permit** forms for 36-8658 and 36-8671. Forms are enclosed for your use. No filing fee required.

Assignments must be made by the owner on record with the Department. We show Clara Cnossen and the Estate of Frank W Cnossen as the current owners of 36-8713 and 36-8671, and Bernice Branch as owner of 36-8658. Double B Dairy had requested that the ownership of all three permits/application-for-permits be changed; however, appropriate documentation was not received so they remain in the original owner's names. The assignment may be made directly from Cnossen/Branch to Box Canyon Dairy.

Please feel free to contact Dayna Ball in our office at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,
