RE: Change of Ownership for Water Right: 35-07954E & 35-07954F

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of water right 35-07954E to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

During our review of the documentation you submitted for water right 35-07954F, we found some discrepancies between the documentation and the legal description of the place of use for the water right indicated in your notice. The area in dispute is 5 acres in Township 5 South Range 30 East Section 19 SW1/4NE1/4 and 15 acres in Township 5 South Range 30 East Section 30 SW1/4NW1/4. Please submit a deed showing these parcels have changed in ownership (for section 30 proof of ownership change from Paul to Nicholas was submitted, but proof from Daniel to Paul was not); otherwise, the water right will require a split. I have enclosed a copy of the water right for your reference.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor

Memo to file
Water Right 35-0795F

Called Nicolas Behrend on August 26, 2008 10:00AM. He informed me that they do not wish to split water right 35-0795F and that the entire area should be transferred into Nic and Kristin names. Therefore, I am writing a notice to request proof of the 20 disputed acres; 15 in section 30 and 5 in section 19.
