RE: Change of Ownership for Water Right 35-38B, 35-11342, & 35-11343

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership for 36-85B and 35-11342 and has enclosed computer-generated reports for your records.

Ownership was not changed for water right 35-11343 as the legal description on the deed you provided does not match the place of use. A copy of the deed is enclosed. The following is required to process the ownership change:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The Department cannot process the ownership change without proper documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not hear from you within that time, your application will become inactive.

Please feel free to contact Dayna Ball at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions.

Sincerely,

for Emalee Rushing
