RE: Change in Ownership of Water Right 34-297B

Dear applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership, received in April 2007, for the above referenced water right. Our review of your notice indicates additional information is required before we can process the change. The information required is indicated below:

X **Legal Description of Property**

The deeds you submitted (copies enclosed) indicate that the legal description is described in attachments to those deeds. However, we did not receive the attachments. Documents may be mailed to our office or faxed to 208-287-6700.

The Department cannot process the ownership change without proper documentation. We will hold your application for 60 days pending receipt of the necessary information. If we do not hear from you within that time, your application will be return and the ownership change will remain unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions.

Sincerely,

Dayna M. Ball
