Re: Water Rights Permit #98-7844 TAJAN

Regarding the above Referenced water rights permit, we have received our new GP address from Boundary County and want to let you know our correct address as per future correspondence.

Also, we would like to know if there is any procedure we should follow at this time to register or re-register our permit. Thank you for taking time to review our request - we were curious as pertains the ongoing water adjudication process we've been reading and hearing about.

Sincerely.

 Cynthia N. Tajan
