Re: Permit No. 98-7844

Dear Mr. and Mrs. Tajan:

The department acknowledges receipt of your letter advising the department of your change in address regarding the above referenced water right. The department has modified its record(s) under your name and encloses a computer-generated report that reflects that change.

Additionally, your letter asked about "re-registering" the permit. Your permit is in good standing, no "re-registering" is necessary. Because you filed proof of beneficial use, the next step is for our Northern regional field examiner in Coeur d'Alene will contact you to schedule a meeting to conduct an examination of the water system and use. This step is a part of the process for licensing of a water right. Because of your ongoing status you are exempt from the adjudication process.

Thank you for your attention to this matter. Please feel free to contact me at (208) 287-4942, or the Northern regional office at (208) 762-2800, if you have any additional questions.

Sincerely,
