RE: Assignment of Permit No. 77-14141

Dear Ms. Titus:

The Department of Water Resources is in receipt of the assignment of permit which you submitted on August 19, 2008. Unfortunately, the department is not able to process the assignment as completed. A permit to appropriate water is considered personal property and can only be conveyed through an assignment from the permit holder of record or through a legal conveyance of the personal property.

Gordon C. Titus is the permit holder of record in the department's files. In order to process the assignment as completed, the department needs proof which indicates that you have the authority to disburse of Mr. Titus's personal property.

If you have any questions, please feel free to contact me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
