Sharla Cox
Water Rights Administrative Assistant
Department of Water Resources

Dear Sharla:

This is my formal request that a decision be rendered in our favor due to default. If you notice in Arne Vetrhus Notice of Protest on Transfer No. 73263, Mr. Vetrhus had agreed to a default judgement by the Department if He or one of his designated representatives fail to appear at any scheduled conferences or hearings. The acceptance of his phone in participation in the pre-hearing conference was without my advanced knowledge or my agreement to it. I feel it is reasonable based on Mr Vetrhus's own words that a default judgement be rendered in favor of our water rights transfer to the pond. Thank you.

Sincerely Yours
Robert Hallen
