

MEMORANDUM

Date: September 18, 2008
To: Transfer 72560
From: Pam Skaggs
Re: Associated Rights

I reviewed the overlapping rights and conditions on the two parcels of land that are subject to Transfers 72560 & 72561 and determined that these rights should be made part of the transfer approval as Associated Rights to update combined right conditions. The transfers propose to exchange 40-acre portions of water rights from one parcel to the other, including splitting one right. In order for all the overlapping rights on each parcel to maintain correct water right numbers, all the rights should be part of the transfer related to each parcel. (See 09-18-2008 Overlap Review charts in file.)
