Please find enclosed the requested documents and our check for \$100 to properly transfer the Water Rights to Bowen Petroleum on our property located at 1130 University Blvd, Rexburg, ID. I trust that you have already received our check #10594 of 9/11/08 for the \$25 Assessment Fee and have credited it to our account.

Thank you for your help. Please advise us of the receipt of our payment and the completion of the transfer of rights.

Respectfully,
Larry Rawlins
