RE: Change in Ownership of Water Rights 31-2429 & 31-2430

Dear Mr. Linford:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership, received April 2007, for the above referenced rights. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, or Contract of Sale indicating your ownership of the property and/or water rights in question including legal description.

Also, a discrepancy was found between your application and the documentation you submitted. Both water rights are currently in the name of Quality Farms Inc. with Idaho AgCredit FLCA holding a security interest. Your application indicates that you would like the ownership changed to you as the sole owner. However, the real estate mortgage we received lists Kent M. Linford, Jan L. Linford, and Quality Farms Inc. Enclosed are copies of the documents you submitted and water reports for your reference. To process the change as submitted, proof of ownership should be in your name only.

The Department cannot process the ownership change without proper documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and attachments and the change will remain unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions.

Sincerely,

Dayna M. Ball, Technical Reviewer
