Re: Beneficial Use Exam and Proof of Completion of Works
Permit #37-8388, SDRTR, LLC

Dear Allen:

Enclosed is the completed beneficial use field exam for the above water right. This exam was completed on June 27, 2008 following our teleconference and involves the determination of the elements of the permit only. No evaluation of the effect of this diversion on adjacent property or water rights was conducted as per our agreement.

I am enclosing the additional proof of beneficial use or statement of completion form. It is my understanding that licensing can now proceed under a reinstated permit. Please contact our office if you need additional information.

Sincerely,

Charles E. Brockway, P.E.
