Re: Lapsed Water Right Permit no. 37-8388

Dear Permit Holder:

The department acknowledges receipt of the Statement of Completion for submitting proof of beneficial use ("proof") form, the completed field examination by C. E. Brockway, and the documentation you provided the department for reinstatement of this permit. Your proof was submitted more than 60-days after the lapse notice was served, therefore an order must be issued to reinstate the permit. Additionally, because the Department did not advise your attorney, Mr. Speck of the proof and lapse notices, the Department will reinstate this permit without advancing the priority date of the permit based on Department error. Enclosed is a copy of the proof and the order reinstating the permit.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. If you decide to file a change in address or in the future you need forms to file a change of ownership, these forms are available from any department office or from our website: www.idwr.idaho.gov

Sincerely,

Deborah J. Gibson
