RE: Application for Permit No. 45-14138

Dear Applicants:

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence.

This office has scheduled advertising your application. Due to newspaper management changes, the legal will appear in the **Times News on 10/16 & 10/23/08**. The advertisement will be published for two weeks, and a period of ten calendar days following the second publication will be allowed for the submittal of protests. **(November 3, 2008)**

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
Administrative Assistant I
