

MEMORANDUM

TO: Tim Luke & Pam Skaggs

FROM: Jeff Cooper

DATE: 07-31-2008

SUBJECT: Warfield Hot Springs Visit

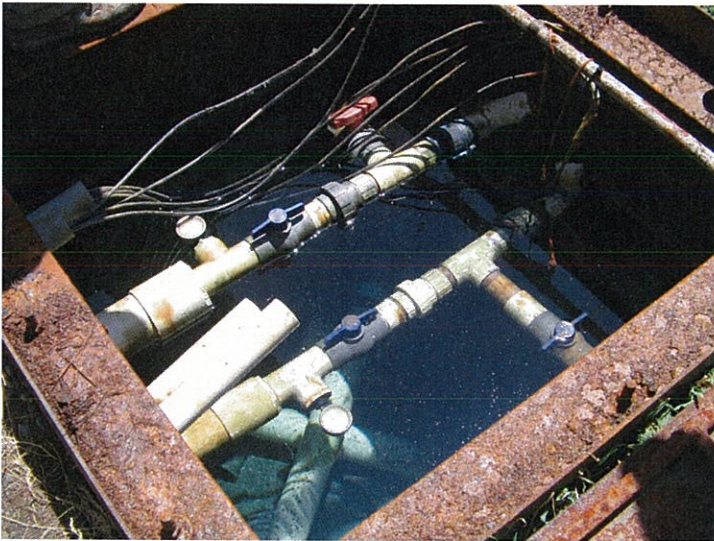

Figure 1. Warfield Hot Springs diversion servicing SDRTR LLC to the north. Groundskeeper was unfamiliar with this portion of the system and was unable to give any further information.

Location

Lat: 43.64038

Long: -114.487199

Figure 2. Community Springs. Pipe goes to the south to Figure 3.

Location

Lat: 43.640895

Long: -114.487432

Figure 3. Valve installed in community line to accommodate licensing examination. Outlet pipe is next to Tim's feet. Directly upstream of valve and outlet is a location for a measuring device.

Figure 4. Measuring device on pipe from springs (Figure 2) to SDRTR property.
