

## MEMORANDUM

**Date:** August 18, 2008  
**To:** Water Right File 37-8388  
**From:** Pam Skaggs   
**Re:** Field Exam Information

---

Charles E. Brockway submitted the additional information requested for the beneficial use field exam submitted by Brockway Engineering for Permit 37-8388. I confirmed by telephone that the information was received & appeared sufficient. I also noted that no further action towards licensing would occur until after the pending petition regarding reinstatement of the permit was resolved.
