RE: Change in Ownership for Water Right No. 34-2262

Dear Interested Party:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

During our review of water right 34-10683, we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. I have enclosed a copy of the proof report for your reference along with a map indicating the location of water right. We need proof of ownership of T4N, R25E, SECTION 22, 23, 25, 26.

The Department cannot process the ownership change without proper documentation; we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Brian Cox
