Re: transfer evaluation

This transfer proposes to add an existing point of diversion to this water right until an existing ditch can be repaired. this application states they want to share a point of diversion temporarily until a ditch can be repaired. So no real comprehensive analysis was completed. The old points of diversion and the new points of diversion are in similar locations.

Authority to File:

Applicant is the owner of record as far as the SRBA decree.

Water Right Validity:

This water right was decreed in the SRBA in 2007. Forfeiture is not an issue.

Injury to Other Water Rights:

Watermaster gave his ok.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
