RE: Change of Ownership for Water Right Nos. 36-16458 and 36-16460

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges receipt of correspondence changing ownership of the above referenced water rights to Betty J Becker Trust and William L Becker Trust. The Department has modified its records to reflect the change in ownership and has enclosed water right reports for your records.

In the correspondence provided, you requested the change in ownership for water right no. 36-2627. This right was modified by transfer no. 73199 splitting the right into water right nos. 36-16458 and 36-16459. Ownership documentation you provided indicates that you are the owner of water right no. 36-16458.

Also requested in your correspondence, was an evaluation of your water rights not enrolled in CREP or leased to the Water Supply Bank (Bank). Based on my review of water right nos. 36-16458 and 36-16460, there are approximately 772.3 acres enrolled in CREP, 103.8 acres in the Bank, and a remainder of 73.1 acres. I have enclosed an Application to Sell or Lease a Water Right to the Water Supply Bank if you should choose to lease the remaining portion of your rights to the Bank.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department.

If you have any further questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
