**RE: Contested Application for Exchange #75007
ID Water Resource Board, Bureau of Reclamation**

Dear Protestant:

This office acknowledges receipt of your protest to the above referenced exchange application. As part of the application process, the following are options available for resolution of contested (protested) applications:

- Direct contact** with the applicant to determine what is being proposed in the application and the parties attempt to resolve the protest. Sincere conversation between the parties prior to initiation of formal proceedings can often resolve protest(s).
- Formal Proceedings** a Department prehearing conference, hearing through the water appropriation statute/rule process. A prehearing conference identifies the protest issues and reviews the resolution possibilities with the parties. If the issues can not be resolved, a formal hearing is scheduled.

Please consider with the applicant the best action(s) for resolution of the protested application.

A prehearing conference will be scheduled in late December 08-early January 09. Enclosed are calendars for these months. **Please mark dates you would be available for a prehearing conference and return the calendars by October 10, 2008.** A date will be scheduled and conference notices sent shortly after.

Should you have questions, feel free to contact me at the Western Regional Office, phone 334-2190.

Sincerely,

A handwritten signature in dark ink, appearing to read 'John Westra', is written over a horizontal line.
