RE: Protest at above transfers by Buckaroo Ditch

C. Honsinger Attorney

- Discussed the request for hearing from Brackett.

Discussed the amount of resources required for hearing.

Can something be done on a conference level. Mr. Honsinger suggested that could be productive. He will talk with Frank B. Will talk again before any action taken.

9/18/07 Bert Brackett - Request for Hearing Letter - 9/05/07.

Discussed the possibility of conference, do not want to waste resources if protest is not willing to negotiate US.

A hearing costs resources also.

- Mr. Brackett. stated he would be interested in a conference if they have something to put on the table. otherwise proceed to a hearing date. Prefer to have hearing in Twin - not during legislative sessions

9/18/07 Charles Honsinger

- Forwarded conversation with Brackett. - messenger only. Mr. Brackett is firm on this.
