Re: Water Right Transfer Application: 70887

Dear Mr. Price:

This office acknowledges receipt of your protest to the issuance of a proposed transfer of water rights, pursuant to the above referenced application. A copy of your protest and the application is enclosed. This protest was received by the Department on September 20, 2004.

The above referenced application was originally filed as showing a portion of the proposed Place of Use as being located in the NW ¼ NW ¼, Twp. 14S, Rge. 10E, Sec. 11. The basis of your protest indicated that your agency would like the applicant, Brackett Ranches, to change &/or move that particular portion of the Place of Use to the NE ¼ NW ¼ of the same Twp., Rge. and Section.

Our records indicate, as noted on the enclosed copy of the application, that the applicant in deed, met your request, and amended his application to reflect the change in Place of Use. It appears that this matter could be considered resolved.

Please advise the Department within (30) thirty days of receipt of this letter, as to how your agency would like to proceed with this matter.

If you have any further questions, please contact this office at 334-2190.

Sincerely,

for:

John Westra
Western Regional Manager
