CONDITIONS OF APPROVAL

1. Assignment or sale of this right is subject to a determination by the Department that the right holder has proceeded to develop the right with due diligence and without speculation.
2. Use of water under this right shall be non-consumptive.
3. Water used under this right if discharged into a natural channel shall meet Idaho Water Quality Standards.
4. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 22nd day of September 2008.

DAVID R. TUTHILL, JR.
Director
