Total Acres: 11.5

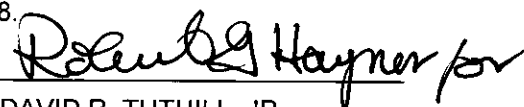

DOMESTIC and STOCKWATER same as IRRIGATION

CONDITIONS OF APPROVAL

1. This right when combined with all other rights shall provide no more than 0.02 cfs nor more than 3.0 afa at the field headgate for irrigation of the land described above.
2. Domestic use is for a bed and breakfast inn and cabin and does not include lawn, garden, landscape, or other types of irrigation. The bed and breakfast inn is within the Place of Use for License 95-8998 and the cabin is within the Place of Use for Licenses 95-8998 & 95-8999. The buildings are connected by a common water line. This right when combined with all other rights shall provide no more than .02 cfs nor more than 0.6 afa at the Points of Diversion for domestic use.
3. Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 95C.
4. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 23rd day of September, 2008.

DAVID R. TUTHILL, JR.
Director
