RE: Water Right Nos. 78 223A

Dear Water Right Holder(s):

Enclosed is a copy of your Notice of Change in Water Right form that you recently submitted to our office. However, we cannot continue to process the ownership change without the appropriate filing fee. Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that this will be a division of the water right and requires additional fees.

Please submit the additional \$75 fee and the warranty deed and return within thirty (30) days. A copy of this water right will be mailed to you when the necessary changes have been made.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter at 334-2190.

Sincerely,

Jean Hersley
