RE: Notice of Change in Water Right Ownership No. 78-7387

Dear Property Owner(s):

After reviewing your request for an ownership change for Water Right No. 78-7387 it was determined that this request is a division of a water right. According to the taxlots provided by the county, the property line divides the pond in half. I have enclosed a map for your reference. If you can show proof you own the entire pond, we will continue to process your request. If you would like us to divide this water right, we require a fee of \$100 per water right.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$75.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,

Jean Hersley
