RE: Administrative Action for Water Right 36-16041

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence requesting an administrative action to remove a point of diversion from the above referenced water right. The department has modified its records to reflect the change and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Peppersack', is written over a horizontal line. The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
