Comments:

1. jroberts 4/18/2007 split right

Comment: Right 36-2258B was split due to an ownership change of a portion of the right to Triangle P, L.L.C. This is the unchanged portion which will be transferred into a large ppu with 24 other rights. The well in the SESWSW of Section 1, T08S, R25E, will remain with the other portion (36-16474) and be removed from this right during the transfer process. (The other 24 rights will also have the well removed from their pod list and the 120 acres under 36-16474 removed from their ppu. 36-2258B overlaps their ppu but was somehow overlooked and not included in the original transfer.)
