Jo & Charlie,

I received your voice mail message and the following email from Jo Beeman about postponing the hearing for the protest filed against application no. 63-32423, scheduled for August 20, 2008. I am happy to issue an order continuing the hearing, reschedule the hearing, and extend the dates for discovery. Taking into account the time you may need to negotiate a settlement and draft settlement documents, please suggest possible discovery deadlines and available hearing dates. Thanks.

Gary

Gary,

Since you are out today, this is a follow-up to the voice mail Charlie Honsinger and I left you yesterday.

The attached letter from Charlie to me confirms that an agreement in principal has been reached between JMM and DCRNA and that to accommodate the preparation of settlement documents, our clients have agreed to extend the discovery and trial dates in protested 63-32423. We will need IDWR concurrence and input to identify those dates.

We appreciate your assistance and are available to meet or discuss this with you.

Jo

Re: Application for Water Right No. 63-32423 in the Name of JMM Dry Creek, LLC

Dear Jo:

Per our discussion of earlier today, my client will agree to continue the hearing currently scheduled to begin August 20, 2008 in the above-referenced matter to either the next available hearing date, or an early available hearing date as you and I can agree upon with input from our respective clients. It is my understanding that we have also agreed to continue the discovery deadlines until such time as we are able to obtain and agree upon a hearing date. At such time you and I will agree upon such and other important deadlines with input from our respective clients.

The purpose of these continuances is to permit us to draft up proposed settlement documents to implement the agreement in principle between our clients that will resolve your client's protest to the above referenced application. If you agree that the substance of this letter is accurate, please confirm, and forward a copy of the same to IDWR's Hearing Officer Gary Spackman so that he is aware of our activities in this regard.

Sincerely,

A handwritten signature in cursive script that reads "Charles L. Honsinger".
