Debbie: I would hold all three days. If this goes to hearing (which at this point I believe is unlikely), it will take at least three days.

Jo & Charlie,

Ok. I've reserved three days on Gary's calendar, November 19 through 21, for easy of scheduling the JMM Dry Creek hearing. Let me know as soon as possible which day you would like to schedule so that I can release the other two. The Department will issue an Order cancelling the August 20 hearing next week.

(message from Jo Beeman)

Charlie

I looked at Gary Spackman's available dates and my calendar and available

8/11/2008

dates, and found that November 3-5 had a conflict with IWUA Water Law Conference, and the November 12-14 time frame had a conflict with the prehearing conference with IDWR A&B Delivery Call matter.

I am available on November 19-21.

Using the same deadlines as in the March 10, 2008 Notice of Hearing / Order Authorizing Discovery (attached), that would mean the proposed new discovery deadline would be Friday, October 31, and the deadline for the witness and exhibit lists would be Monday, November 10.

Debbie

While Charlie and I are working on this, please reserve November 19-21 on Gary Spackman's calendar.
