ORDER OF PARTIAL DECREE

For water right: 47-07566

DISTRICT COURT-SRBA Fifth Judicial District County of Twin Falls - State of Idaho SEP 24 2008 Clerk Deputy Clerk

On January 29, 2007, the Idaho Department of Water Resources (IDWR) filed a *Director's Report* containing a recommendation for the above-captioned water right claim. The recommendation in the *Director's Report* included the following condition:

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which the right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

In order to avoid any potential inconsistencies between the *Partial Decree* and a subsequently issued license, the practice of the Court has been to temporarily withhold the issuance of the *Partial Decree* until after the license is issued.

On July 9, IDWR filed an *Amended Director's Report* and a *Notice of Completed Administrative Proceeding*, indicating that a license was issued for the above-captioned water right. No objections were filed, and the time for filing objections has now expired.

Therefore, IT IS ORDERED that the above-captioned water right is hereby **decreed** as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b)*.

DATED Sept. 24, 2008.
