Steve,

Thank you so much for moving this along quickly; Kuna is in a real bind here.

Yes, I paid the \$2610 according to the transfer fee schedule on the web-site. I just rechecked the cost and believe I have it right?

Hi Ed:

Wanted to let you know that we will be able to send legal notice to newspaper for Kuna transfer to be published in first half of October instead of last half of that month.

Also, can you check your records to confirm if you paid **\$2610** with check # 5735 on 8/20/08? That's what our receipt shows. However, fee for 9.02 cfs in transfer is **\$610**. Would like to verify if you actually overpaid by \$2000 or if we had a data entry error in receipting. Thank you for the help.

Steve
