ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, DAVID R. TUTHILL, JR., of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 67-07376 with the following:

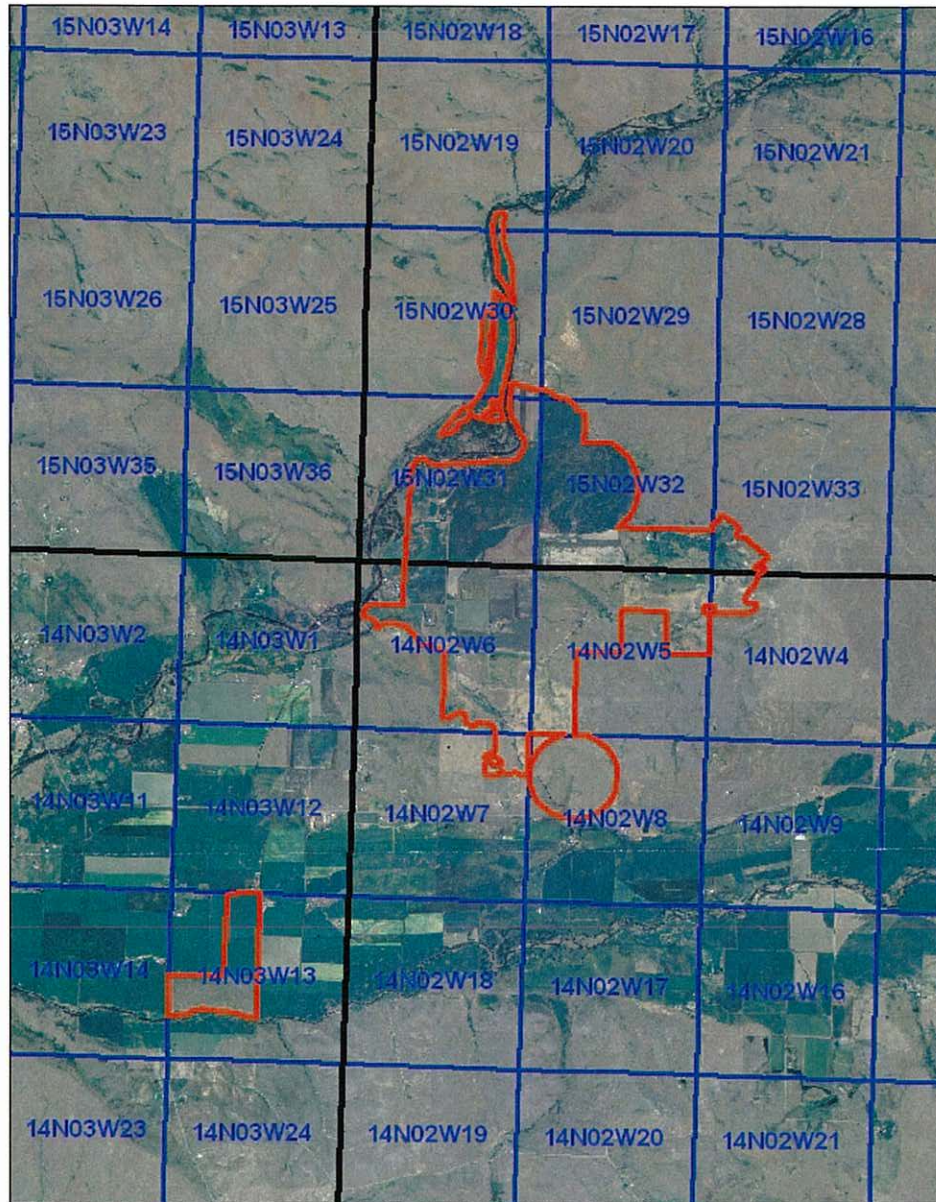

CONDITIONS OF APPROVAL

1. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.
2. The rate of diversion of water rights for irrigation under this right & all other rights on the same land shall not exceed 0.0125 cfs for each acre of land.
3. This right is limited to the irrigation of 751.8 acres within the place of use described above in a single irrigation season.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 67.
5. This right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate for irrigation of the lands above.
6. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
7. The issuance of this right does not grant any right-of-way or easement across the land of another.

Witness my hand this 3rd day of September, 2008.
