Concerning the Application for Transfer – Correction to Advertisement of John Lezamiz Family LTD Partnership, PO Box 389, Twin Falls, ID 83303-0389 for transfer #74000 and #74013 published August 14 and 21, 2008;

I protest the point of diversion in SWNW Sec 32 T7N R25E. The Lezamiz Family LTD Partnership has no diversion point at this location. This location is into a private ditch and it is my diversion point. John Lezamiz has been told this on several occasions. Upon investigation, if IDWR takes care of this matter, I would withdraw my protest.

Yours truly,

Dave Nelson
