Dear Mr. Christensen:

Re: Encroachment Application

The Idaho Department of Lands (Department) received a copy of your water right application from the Idaho Department of Water Resources. You will also need an encroachment permit from the Department to place a water intake line on the bed of the **Hayden Lake**.

For your convenience, I have enclosed an encroachment application. If you are intending to bury the line a permit will be required from the Army Corps of Engineers and Water Quality Certification from the Department of Environmental Quality. In addition, the Department requires a **\$1000.00 processing fee** for waterlines. The Department will begin processing an application upon receiving a complete application and fee.

Sincerely,

Carl Washburn
