Re: Snake River Basin Adjudication (SRBA)
Partial Decrees #74-325C, 74-325H, 74-325L

Dear Diana,

Processing a change of ownership for the above water rights led IDWR staff to a suspected clerical error in the partial decrees issued December 11, 2007. The Court may discover amended partial decrees for these water rights are in order.

The partial decrees for the above water rights inadvertently have the place of use remark: "Same as Federal Reserved Use." Perhaps the intent of the Court was to use the place of use remark for the stockwater use appearing in the Director's Report for these rights: "Stockwater same as Irrigation" similar to the partial decree for 74-325J.

I have not enclosed recommendations for these corrections. The Court may request amended director's reports at a later date. IDWR stands ready to respond to any questions the court may have.

Sincerely,

Donald V. Shaff, MPA
