RE: DEQ comments on Water Rights Application

Dear Mr. Powell:

The Idaho Department of Environmental Quality ("Department") reviewed the proposed water rights application, supplemental information provided by you and existing water quality information near your client's (Ketchum Long Island, LLC) proposed

The Department has no opposition to the granting of this right.

We have no other comments at this time. Additionally, the Department believes this letter is sufficient to allow the Department of Water Resources to complete their review of your water rights application. Thank you for providing the additional temperature information and the opportunity to review your client's application.

Please do not hesitate to contact me at 208.528.2650 for any additional information we may be able to provide.

Sincerely,
