RE: Application for Permits 75-14461 and 75-14462

Dear Ms. Maxwell:

I have received letters with comments from the Idaho Department of Fish & Game, the Idaho Department of Environmental Quality and you, in regards to the Salmon and Clearwater River Basin information letter.

The letter from the Idaho Department of Fish & Game for Application for Permit # 75-14461, states they are not in favor of this application. We have also received protests from L. Arden Arrington, protesting both applications.

We suggest you consider one of the following procedures:

- a. Proceed with advertising.
- b. Amend your applications to resolve the protests
- c. Withdraw you applications and receive a refund for filling fee.

Please inform us of your intentions with these applications within 30 days from the date you received this letter. If you do not respond within 30 days, IDWR may void your application and refund your money.

Respectfully Submitted,

Ernest Carlsen
Program Manager
