

application to appropriate
water # 75-14518

September⁹, 08

Dear Sharla Cox

Question A The potential to
reduce the quantity of water
under existing water rights.

Answer A There is no reduction
because water is a 40ft
Surface well, near the River.

Question B The sufficiency of
water supply for the proposed
appropriation

Answer B 40ft Surface well is
near the River so water is
plentiful, more than enough
for proposed appropriation.

Question C The good faith nature
of the application

Answer (C) In good faith we intend to plant a garden in the Spring of 09.

Question (R) The adequacy of applicant's financial resources

Answer (R) Every thing needed to plant in Spring of 09 is already paid for in full and is waiting for your approval
