RE: CHANGE IN OWNERSHIP FOR WATER RIGHT NOS. 74-15441 (SPLIT INTO 74-15881 AND 74-15882) AND 74-15837 (SPLIT INTO 74-15879 AND 74-15880)

Dear Mr. and Mrs. Hilgendorf:

The Idaho Department of Water Resources (Department) acknowledges receipt of your correspondence changing ownership and splitting the above referenced water rights. The Department has modified its records to reflect the changes and has enclosed computer-generated reports and a fee payment receipt for your records.

Your portion of the water right(s) has a specified point of diversion, nature of use, and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of the right is required. If you do not plan on changing any elements of your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires the owner of a water right to maintain current ownership and address records on file with the Department. Forms to file a change in water right ownership and/or a change in the address of the water right owner are available from any Department office or from the Department's website at: www.idwr.idaho.gov.

If you ever have any questions regarding water rights or Idaho's water resources, please feel free to contact me at (208) 287-4943. It's been a pleasure assisting you with your water right questions and I hope you'll enjoy your new place in Idaho.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
