RE: Change of Ownership for Water Right 29-4431 and 29-13315

Dear Water Right Holder(s):

The Ownership Change for 29-13315 was not completed because it was disallowed. If you feel this was disallowed in error, you can file a late claim with the courts. We have requested a reimbursement for your \$25.00 fee. You should receive that reimbursement shortly.

The department acknowledges receipt of correspondence changing ownership of the water right 29-4431 to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Bobby Kern
Office Specialist II
