NOTICE OF APPLICATIONS
The following numbered applications have been filed to appropriate the public waters of the State of Idaho, Custer County by the **IDAHO DEPT FISH AND GAME, 600 S WALNUT, BOISE, ID 83707**. These applications propose the diversion and use of water tributary to the Salmon Falls & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The benefit to be derived from these applications will be protected from the subordination provision because it is for non consumptive purposes.

Remark: Application proposes the diversion of 0.80 cfs from Fourth of July Creek for the installation of a fish screen located approximately 13.0 miles south and 5.25 miles east of Stanley.

Remark: Application proposes the diversion of 0.80 cfs from Fourth of July Creek for the installation of a fish screen located approximately 12.25 miles south and 9.0 miles east of Stanley.

Remark: Application proposes the diversion of 0.80 cfs from Fourth of July Creek for the installation of a fish screen located approximately 13.0 miles south and 6.5 miles east of Stanley.

Remark: Application proposes the diversion of 0.80 cfs for installation of a fish screen located approximately 5.25 miles West and 1.0 miles North of Stanley.

Remark: Application propose the diversion of 0.80 cfs from Iron Creek for the installation of a fish screen located approximately 1.7 miles west and 0.1 miles south of Stanley.

Remark: Application proposes the diversion of 0.80 cfs from Iron Creek for the installation of a fish screen located approximately 2.2 miles west and 0.4 miles south of Stanley.

the diversion of 0.80 cfs from Iron Creek for the installation of a fish screen located approximately 2.0 miles west and 0.25 miles south of Stanley.

the diversion of 0.80 cfs from Squaw Creek for installation of a fish screen located 2.8 miles downstream of West of Clayton.

the diversion of 0.80 cfs from Squaw Creek for installation of fish screen located approximately 3.3 miles West and 1.5 miles North of Clayton.

Remark: Application proposes the diversion of 0.80 cfs from the East Fork of the Salmon River for installation of a fish screen located approximately 11.5 miles south and 2.0 miles west of Clayton.

the diversion of 0.8 cfs from Challis Creek for installation of fish screen located approximately 5 miles north and 5.75 miles west of Challis.

the diversion of 0.8 cfs from Morgan Creek for installation of fish screen located approximately 9 miles north and 2 miles east of Challis.

Remark: Application proposes the diversion of 0.8 cfs from Morgan Creek for installation of fish screen located approximately 8 miles north and 2.4 miles east of Challis.

diversion and use of water tributary to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of

to divert 0.02 cfs from the Salmon River for domestic use to irrigate up to 1/2 acre. Lot 6 Blk 1, Tunnel Rock Acres, approximately 7 miles North and 7 miles east of the city of Clavton.
