Re: Change of Address and Conditions of Approval Update for Water Rights 65-12335, 65-12456, 65-16003, and 65-23249

Dear Mr. Schrier;

Per your office visit and Change of Address submitted September 5, 2008, the Department has updated our records for the above referenced water rights you currently own. Your Minnesota residence has also been added as a contact address for information regarding your water rights. Additionally, the Department has updated one of the conditions of approval for water right 65-12335. Information available to the Department confirmed information you stated during your office visit, that the correct description for the lot associated with water right 65-12335 is Lot 1 Block 4 Joe Lewis Subdivision. I have enclosed a water right proof report for each of your rights for your use in referencing the accomplished changes. Additionally, I am providing the proof report for 65-23249 to demonstrate a change of ownership was completed February 7, 2008 that resulted in creation of this right from a portion of parent water right 65-2431X, per your requested.

IDWR rules, forms and other information are available on the Internet at www.idwr.idaho.gov. Please contact me at 208-334-2190 if you have any questions. Thank you for your attention to these matters.

Sincerely,

Angela M. Grimm
Water Resource Agent, Sr.
