Re: Change in Ownership # 36-2126 #21958 Tim Eames

Dear Ms. Rementeria :

The Department of Water Resources acknowledges receipt of Tim Eames's Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☐ Filing Fee of \$25 per water right <permit>
- ☐ Filing Fee of \$100 per water right for changes resulting from division of a water right
- ☐ Signature
- ☐ Notarized Signature for Assignment of Permit
- ☐ Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☐ Evidence of Security Interest: copy of Deed of Trust, Mortgage, Contract of Sale, or other legal document indicating your interest in the property and water rights in question
- ☐ Security Interest Expiration Date
- ☐ Legal Description of Property
- ☐ Plat of Property or Survey Map usually on file with the county
- ☐ USDA Farm Service Agency (formerly ASCS) Aerial Photo with irrigated acres outlined and point(s) of diversion clearly marked
- ☒ Description of Portion of Water Right resulting from division of water right

During the review of the documentation submitted, some discrepancies were found between the documentation and the legal description of the place of use for water right #36-2126. I have enclosed a copy of the water right for your reference. A parcel was excepted on the deed. Since I have no documentation conveying the entire water right to the new owners, part of the irrigation right stays with the land causing a split of the water right. An addition fee of \$75 to split the right or documentation conveying the entire right to Mr. Eames is required before I can process the request.

Because the Department cannot process the ownership change at this time we will hold any action on your notice pending receipt of the necessary information or fee. If we do not receive anything within 30 days we will return your notice and \$25 fee and your notice will not be processed.

Enclosed are copies of water rights 36-2125, 36-7182, and 36-16169 which have been changed into the new owners names.

Please note the water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's website www.idwr.idaho.gov to obtain the proper forms and instructions. Please feel free to contact this office if you have any questions

Sincerely,

Carrie Hahn
Clerk
