Ray - Oops - I guess I forgot to attach the file copies for you to review. My sincere apologies.

This application was not amended, but it had to be re-advertised because our initial data entry listed one POU incorrectly.

Attached is the application as submitted to us, a copy of the **original** legal notice and also a copy of our **Notice of Correction** scheduled to publish tomorrow and next Wednesday. The original application shows the POU correctly. It was our data entry that necessitated the re-advertisement.

Hope this will give you what you need.

Have a great day,

Dianne

Diane - Can you send me a copy of the amended application? Thanks.
