RE: PERMIT NO. 37-8894

Dear Permit Holder:

Enclosed is a copy of the Proof of Beneficial Use statement you submitted in connection with the above referenced water right permit, received on July 18, 2008. Based on this permit you are permitted to divert a maximum of 5.00 cfs of which the license exam fee would be based, not the annual storage volume. Therefore, I cannot accept your proof until it is submitted with the appropriate examination fee of \$200.00.

Because you paid a portion of the fee, I will hold this proof for **10-days** from the date of this letter for receipt of the remaining \$100. If the fee is not received on or before August 28, 2008, I will return the proof and refund the amount paid, and the permit will remain lapsed. For your information, I am enclosing a copy of the permit, the proof instructions, and license exam fee schedule.

Please return a copy of the proof statement along with the remaining license examination fee to my attention at the above address. If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is fluid and cursive, with the first name "Deborah" being more prominent.
