**RE: APPLICATION TO LEASE WATER RIGHT NO. 63-5387 TO THE WATER
SUPPLY BANK**

Dear Applicant:

The Idaho Department of Water Resources (Department) acknowledges receipt of your application to lease the above referenced water right to the Idaho Water Supply Bank (Bank). Efforts are currently being made to address the backlog of applications with an emphasis on applications for transfer and new water right permits. Please consider the following with regard to your lease application:

Application to Lease or Sell a Water Right to the Water Supply Bank:

The Department will hold your application for review as resources allow. If the right is determined to be eligible for acceptance into the Bank and if additional information is not required upon review of the application, the right will be entered into the Bank as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required. Please note the forfeiture period is not tolled unless a right is accepted into the Bank. If forfeiture is a concern, you may also consider filing an application for Extension of Time to Avoid Forfeiture. Additionally, a preliminary review of your application has been completed. Based on this initial review, additional information does not appear to be required at this time though supplementary information may be requested upon further review.

The Department will hold the referenced application and proceed as described above as time allows. The Department regrets the inconvenience caused by the delay. If you have any questions regarding this matter, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
