Roxanne,

A 14-day extension is acceptable and the request is granted. I will look for the signed amendment form on or about August 15, 2008. Thanks.

Subject: Deadline for Permit Amendment 63-12463

Aaron,

To summarize our telephone conversation this morning: The City of Nampa received a request to amend permit 63-12463 prior to licensing. The request was mailed July 17, 2008 and received by the City July 23, 2008. A 14-day deadline was given in the correspondence.

As you and I discussed, the 14-day time frame is short for the City. We would like to request an additional 14-days to deliver the signed amendment and associated fees.

Thanks for your consideration. Please reply via email with assurance the extension will be granted.
