Dear Bill:

Enclosed is a request to release water rights from the State of Idaho Water Bank on December 31, 2009. This new form will supersede the previous application that requested release date of 7/1/2008. We are requesting that portions of water rights 37-7349B and 37-2683B be released excluding the .01 cfs that is currently being rented out until 2011. Please sign the enclosed form and send to the Idaho Department of Water Resources, as well as a copy to Brockway Engineering. If you have any questions regarding this application, please feel free to give us a call.

Sincerely,
