RE: Water Right Permit No. 1-07103

Dear Permit Holder:

Upon final review of the amendment for water right license 1-07103, an error was noticed on the first page. The maximum diversion rate allowed under this right was mistakenly listed as 54.58 cfs. The application for permit requested a total diversion rate of 1.00 cfs, which will be listed as the maximum diversion rate for the license of 1-07103. There will be no additional fee associated with this second amendment. I have enclosed a copy of the initial amendment with the error highlighted. Please review and sign the amendment if you agree with the change.

If you have any questions, please call me at (208) 287-4949.

Sincerely,

Nick Van Dyke
Water Resource Agent
